Physical Facility Requirements: Ensure that classrooms, conference rooms, laboratories, and equipment are clean and safe and accommodate the number of students enrolled. (ARSD 44:04:18:14)

Course Requirements

Name of Course (if applicable): How To be a Nurse Assistant AHCA

A variety of teaching methods may be utilized in achieving the classroom instruction such as independent study, video instruction, and online instruction.

☒ Submit reference list of teaching materials utilized (include name of book or resource, publisher, publication date, etc).

Submit documentation that supports requirements listed in ARSD 44:04:18:15, including:

- ☐ Behaviorally stated objectives with measurable performance criteria for each unit of curriculum
- ☐ Curriculum, objectives and agenda documenting the requirements for the minimum 75 hour course as follows:
 - ☐ A minimum of 16 hours of instruction prior to student having direct patient contact; the 16 hours must include:
 - ☐ Communication and interpersonal skills, infection control, safety/emergency procedures, promoting residents' independence, respecting residents' rights.
 - ☐ A minimum of 16 hours of supervised practical instruction with enough instructors to ensure safe and effective care; the instructor ratio may not exceed eight students for one instructor.
 - ☐ Instruction in each of the following content areas (see ARSD 44:04:18:15 for more detail):
 - ☐ Basic nursing skills (including documentation) including: vital signs; height and weight; client environment needs; recognizing abnormal changes in body functioning and the importance of reporting such changes to a supervisor; and caring for dying clients;
 - ☐ Personal care skills, including: bathing; grooming, including mouth care; dressing; toileting; assisting with eating and hydration; feeding techniques; skin care; and transfers, positioning, and turning;
 - ☐ Mental health and social services, including: responding appropriately to behaviors; awareness of developmental tasks associated with aging process; respecting personal choices and preserving client dignity, and recognizing sources of emotional support;
 - ☐ Care of cognitively impaired clients, including: communication and techniques for addressing unique needs and behaviors;
 - ☐ Basic restorative nursing services, including: self-care; use of assistive devices in transferring; ambulation, eating, and dressing; range of motion; turning and positioning in bed and chair; bowel and bladder care and training; and care and use of prosthetic and orthotic devices;
 - ☐ Residents' rights, including: privacy and confidentiality; self-determination; reporting grievances and disputes; participating in groups and activities; security of personal possessions; promoting an environment free from abuse, mistreatment, and neglect and requirement to report; avoiding restraints.

Supervision of Students: Pursuant to ARSD 44:04:18:13, students in a nurse aide training program may not perform any services unless they have been trained and found to be proficient by the primary instructor. Students in a training program may perform services only under the supervision of a licensed nurse (RN and/or LPN).
